

TOP 6 REASONS To Exhibit At Expo East

1. It's The Biggest Show In The Region.

No other event attracts as many qualified promotional products attendees as Expo East. It's the must-exhibit event in the industry's most lucrative region.

2. Two Days In June Just Makes Sense.

Half the year has gone by since The PPAI Expo. Two days exhibiting at Expo East are the perfect opportunity to promote mid-year product launches and introduce items designed for fall and winter. The weather's great, too.

3. Face to Face Is Still The Best Way To Communicate.

When it comes to selling promotional products, the hands-on, face-to-face approach just can't be replicated. 2,000 distributors from all over the Northeast will be on hand to see, touch, even taste your products and to listen to your sales pitch.

4. Marketing Your Company Doesn't Get Any Easier Than This.

Expo East is attended by eager distributors looking to find out about your company and its products. It's the ideal place to create awareness of your company, its culture and your offerings.

5. Attendees Are Top-Level Distributors You Won't See Anywhere Else.

The average Expo East attendee doesn't attend other shows. If you want to find new customers in this region, you can't miss this opportunity.

6. Bonus Priority Points Are Available.

Exhibiting at Expo East earns you valuable, permanent priority points.

Expo East 2019 Contracts

Expo East 2019 contracts will be available through PPAI's new online contract management system. This new system is faster, easier to use, more accurate and more secure for all exhibitors when choosing booths and selecting promotional opportunities. Now you can order your booth, your directory ad and your show sponsorship in one location.

Here's how it works:

1. Visit <http://expocontracts.ppai.org/expoeast2019>
2. On the left side of the screen, click the "Exhibitor" drop-down tab, then select "Apply for Booth".
3. Enter your company password. Contact your account manager if you don't know your password.
4. Enter a booth choice in the mandatory "First Booth Choice" section. There are three optional choices as well. Throughout the contract there are numerous "Notes" fields—the more detail you provide, the better.
5. We have added a product category section this year. This additional information will help assist PPAI during the initial space assignment process.
6. Electronically sign and click submit. On the left side of the screen under "Exhibitor", click "Promotional Opportunities" to make your advertising and marketing selections.
